A 30-DAY WORKBOOK

Who Am I Now?

A 30-day workbook for remembering what you like and finding your next step.

THIS WORKBOOK BELONGS TO

BEFORE YOU BEGIN

How to use this workbook

The house got quieter. Maybe the last kid just left, or maybe it's been a while. Either way, you spent years knowing everyone's favorites, schedules, and shoe sizes. This workbook is about rediscovering yourself.

- One short prompt a day, a few minutes each.
- Four weeks, and each one builds on the last.
- Print it and write by hand if you can. It's easier to be honest on paper.
- Missed a day? Pick up where you left off. You can't fall behind.
- There are no wrong answers. If something feels small, write it down anyway.

By Day 30 you'll have your next step, picked by you.
